JUMPS AND MEETS DEATH

WADE WILEY, MOTORCYCLE DRIVER, TAKES FATAL COURSE

Lapsed Into a State of Semi-Consciousness—Said He Was Not Hurt Much When Picked Up.

Dallas, Tex., Oct. 27.—Wade Wiley, a motorcycle rider, was fatally injured while trying out this morning at the Fair grounds, and died twenty-five minutes later at the Fair grounds emergency hospital. His skull was crushed, his neck broken and his arm and leg broken. Wiley is the son of J. B. Wiley who lives at 276 Texas street. His father is an employee of A. Ferrell & Son carriage manufacturer. The accident occurred today at 10:30 o'clock. Wiley was riding his motorcycle at a rate of fifty-five miles an hour. He made this record down the lone stretch and on reaching the first quarter curve he slowed up slightly. The wind was blowing very hard and turned the front wheel slightly toward the fence. Wiley, believing that he was in danger, jumped from his motorcycle. The force with which he struck the ground threw him ten feet into the air and when he fell he turned several somersaults. He fell upon his head. Those rushing to his assistance asked if he was injured. "A little bit," Wiley said, in a dazed sort of manner. He was rushed to the emergency hospital. Dr. Fossier and Dr. Little gave him immediate attendance.

HOOD SHAFT UNVEILED

HANDSOME MONUMENT AT AUSTIN—TRIBUTE TO VETERANS.

John H. Kirby, of Houston, Following Unveiling, Makes Principal Address.

Austin, Texas, Oct. 27.—In the presence of several thousand people, including about 400 members of Hood's Texas Brigade, who are here attending the thirtieth annual reunion, the magnificent monument erected on the east side of the state capital, was today at 10 o'clock dedicated and unveiled with impressive ceremonies.

This was the crowning feature of the reunion of the old soldiers here this year. This monument was completed a short time ago at a cost of \$5,000, and erected through subscriptions by the Hood Texas Brigade association. The dedication and unveiling ceremonies were simple, but impressive. After a few preliminary remarks by General William R. Hamby, president of the Hood's Texas Brigade association, the monument was unveiled. The orator of the day was Hon. John H. Kirby of Houston, who in an eloquent speech presented the monument to the state, and Governor Campbell briefly but most appropriately accepted the shaft on behalf of the state. Several musical selections were rendered during the ceremonies. The parade of the old soldiers from Fifth street and Congress avenue to the monument, proved an excellent feature.
